Hi James,

My favourite days of the week are Saturday and Sunday. On Saturday my mum takes me and my brother to the swimming pool in the morning. We go every week and we have lots of fun. After, we go to the café next to the swimming pool for our lunch. I have a sandwich and my brother has a pizza. On Sundays we go to the park behind our house and we play football and sometimes we go to the cinema in town. It isn't a big cinema, but it shows films for children on Sunday morning. My favourite films are about animals. Has your town got a swimming pool?
What's your favourite day of the week?
